Filing Date: February 6, 2004 § Attorney Docket No.: 8182-26US

(PA33012US)

Title: CYTOSTATIC LANTHANUM COMPOUNDS

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97(b)

Enclosed are copies of each of the documents listed on the attached Information Disclosure Citation Form(s) PTO/SB/08A and/or B, which may be material to the patentability of this application and/or for which there may be a duty to disclose in accordance with 37 C.F.R. §1.56.

The filing of this Information Disclosure Statement shall not be construed as an admission that any of the listed documents constitutes prior art, nor as an admission against interest in any manner.

Each document cited in this Information Disclosure Statement was first cited in a German Office Action (copy enclosed) dated May 10, 2002 from the German Patent Office in counterpart German Application No. 101 35 538.2 and/or the International Search Report (previously submitted) from the European Patent Office in counterpart Application No. PCT/EP02/08770.

No fee is believed to be due in connection with the filing of this Information Disclosure

Statement since it is being filed before mailing of the first Office Action after the filing of a Request for Continued Examination under §1.114. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayments to Deposit Account No. 50-1017.

It is respectfully requested that this Information Disclosure Statement and the documents listed on the attached Form PTO/SB/08A and/or B be considered and acknowledged by the Examiner in connection with the above-identified patent application, be made of record therein, and that the listed document(s) be cited in the issued patent.

Respectfully submitted,

Bernhard KEPPLER
